

# CHANDLER AREA COMMUNITY SERVICES & ORGANIZATIONS DIRECTORY

Created and Maintained by the City of Chandler  
Updated 8/14/2014

## Introduction

This directory consists of all known community services and organizations that are available to Chandler Area residents. The directory will focus on locally based services and non-profit organizations. However, if the service is not available locally the area will be expanded until the service is located. Therefore some services will be based out of Athens or Tyler. However, all service organizations have been contacted to confirm availability to Chandler Area residents.

Churches and community organizations are limited to those located in the Chandler zip code of 75758. If you wish to have a Community Service or local Community Organization added to the Directory or have a correction please call Chandler City Hall at 903-849-6853.

Additional information may be found at **2-1-1 Texas**, a program of the Texas Health and Human Services Commission. 211 Texas is committed to helping Texas citizens connect with the services they need. You can contact 211 either by phone or internet. Their web address is [www.211texas.org](http://www.211texas.org) and phone is 211.
